Hi John,

No problem, I will be available by phone. My home number is **Redacted** I would appreciate if you could email me and let me know when you may be calling. I get so many calls on my home phone that I would not be able to do any real work if I pick up the phone every time it rings.

Kasia

Hi Kasia –

Rynda, Jeanhee, and I are meeting on Friday morning to discuss your analysis. If we have any questions for you, will you be in that day? If so, when might you be available?

Thanks

Hello,

Attached is a document describing attainment year contingency for Portola. Please review prior to our call on Tuesday. Also, feel free to contact me by phone or email if you have any questions or need clarification prior to our call on Tuesday.

Kasia

Call-in #: **Redacted**
Conferer

The purpose of the next call is to discuss the eventual submittal of Ordinance #354 and associated documentation.

Tentative list of topics:

- Update on Center for Biological Diversity litigation
- Public process and documentation – did City of Portola do CEQA? Is action on Board calendar for Oct?
- Agreement on explicit instructions/statement re:
 - measure to be submitted to meet attainment contingency measure requirement;
 - fate of Ordinance #344 (currently in the SIP)
 - letter from District should indicate fee and penalty provisions not intended for inclusion in the SIP (see Christine Vineyard sample language)
- Technical analysis (Kasia)
- Rationale for < 1 yr of reductions
- Other
